

Public Announcement to the Members of the Western Cree Tribal Council Member Nations

May 15, 2024

Attention all community members,

Effective June 1, 2024, the delivery of Membership services will no longer be facilitated through the Western Cree Tribal Council. Instead, these essential services will be transitioned to the Member Nations of WCTC.

For any inquiries or questions concerning the Membership service delivery transition, please reach out to Ernestine Goodswimmer at (780) 532-3009. She will be available to assist you and provide necessary guidance.

Starting June 1, 2024, we kindly ask all community members to directly contact their respective Nations for any Membership services and inquiries.

We understand the importance of this change and assure you that every effort will be made to ensure a smooth transition process. Your cooperation and understanding are greatly appreciated as we work together to serve our community better.

Thank you for your attention to this matter.

Darlene Giroux
Chief Executive Officer
Western Cree Tribal Council
